PREFACE

This is the sixteenth edition of the USAF Medical Logistics Directory. It includes the names and telephone numbers of Medical Logistics personnel at most agencies and organizations worldwide.

Pages 1-2 and 3-4 are cross references that provide base names in alphabetical and numerical sequence with the corresponding SRAN numbers.

Autovon and commercial numbers are included in all listings. Federal Telecommunications System (FTS) numbers are listed where available. As an additional reference aid, Routing Identifier codes (RIC) are listed for each account.

As changes occur in personnel authorized and/or assigned, please notify the AFMLC/FOR using the enclosed form (Page 60) or by message.

Use of the Directory will encourage communications within the Air Force Medical Logistics network. If any errors or discrepancies are detected, please notify AFMLC/FOR, Frederick, Maryland 21701-5006, telephone Autovon 343-7445.
